Why choose clueQuest for your school trip?

- Our secret agent theme is non-scary and family-friendly, providing suspense from the timed aspect (a 60-minute countdown) which can be emphasised or de-emphasised to suit the disposition of your group.
- The escape rooms at clueQuest provide an array of unique and intuitive logic-based tasks which are designed to ensure that no prior knowledge is required, making them **perfect for some Key Stage 2 year groups and up**.
- Tasks are challenging and therefore make for a rewarding work-out of the following crucial soft skills: communication, teamwork, problem-solving, attitude and leadership.
- clueQuest is an industry-leading live escape experience provider, with 4 physical missions to choose from. These missions are replicated throughout our venue for a total of 11 rooms which each can hold a maximum of 6 players.

Don't just take our word for it!

Great for a group of students

As part of our school outing, we took 27 students to ClueQuest for a great time. All the kids enjoyed the experience and immediately wanted more. The clueQuest staff was genuine and helpful. I look forward to experiencing all of their rooms with friends and colleagues in the future...

Beeniweb, TripAdvisor review

Great school trip I took a group of 15 Year 10 and 11 pupils for a Christmas trip and they had a great time. Brent was extremely helpful throughout the booking process and the staff on site looked after the boys so well. All four groups got out but none of them did it with much time to spare (in fact one group only had 5 seconds left) so the difficulty seemed perfectly judged. We would definitely go again.

Supervision and behaviour

- We at clueQuest train our staff to be vigilant towards any challenging or aggressive behaviour that may cause physical damage to our spaces and props, or emotional distress to anyone inside our facility.
- We will provide any helpful information to the school trip organiser before the event date to ensure the school trip runs smoothly. Bear in mind that the experience will take at minimum 1 hour and 20 minutes to brief the teams, play the game, debrief and complete customer service tasks.
- We require that any groups of people under the age of 16 are accompanied by a supervising adult inside the room because our staff will be viewing and listening to their teams throughout the game, and they are not trained in safeguarding children if a disclosure were to occur. Exceptions to our 1 adult in each room can be agreed upon if a school group cannot bring enough adults on their trip, however, supervising adults need to be onsite and available at all times to go into a room if/when necessary.
- Please bear in mind that the maximum number of people allowed in any one escape room is 6, which includes the accompanying adult.

Safety

- clueQuest has a robust Evacuation Plan with strict procedures that ensure visitors can safely and quickly exit the premises.
- An audible alarm will constantly sound in the unlikely event a site evacuation is required.
- During the event of an evacuation, all visitors must follow the instructions of clueQuest staff, who are trained in our evacuation process.
- Our fire assembly point is located outside of HSS Hire, at 143 Caledonian Road, London.
- Precautions have been taken to ensure that our rooms are as safe as possible without compromising the game.
- However, you are responsible for your safety and the safety of your attendees during the experience.
- Our venue size and capacity do not require our company to have a first aid-trained staff member onsite at all times, therefore, check with us ahead of time, or ensure your staff that are accompanying your group are first aid trained.
