Why choose clueQuest for your school trip?

- Our secret agent theme is non-scary and family friendly, with the thrills coming from the timed aspect (a 60 minute countdown) which can be emphasised or de-emphasised to suit the disposition of your group.
- The escape rooms at clueQuest provide an array of unique and intuitive logic-based tasks which are designed to ensure that no prior knowledge is required, making them **perfect for all age groups**.
- Tasks are challenging and therefore make for a rewarding work-out of the following crucial soft-skills: Communication, teamwork, problem-solving, attitude and leadership.
- clueQuest is an industry-leading live escape experience provider, with 4 physical missions to choose from. These missions are replicated throughout our venue for a total of 11 rooms which each have the ability to hold a maximum of 6 players.

Don't just take our word for it!

Great for a group of students

As part of our school outing, we took 27 students to ClueQuest for a great time. All the kids enjoyed the experience and immediately wanted more. The clueQuest staff was genuine and helpful. I look forward to experiencing all of their rooms with friends and colleagues in the future...

Took 10 school children 14-17yrs

I co-organise a research experience programme at the University where I'm based, and we decided to try this as a new activity for 10 school-aged children who were spending two weeks with us. They absolutely loved it... A thoroughly good time was had by all.
